

DIY VEST

SUPPLIES:

- 1/3 yard felt
- Scissors
- Hot glue gun or fabric glue
- PAW Patrol Patch

DIRECTIONS:

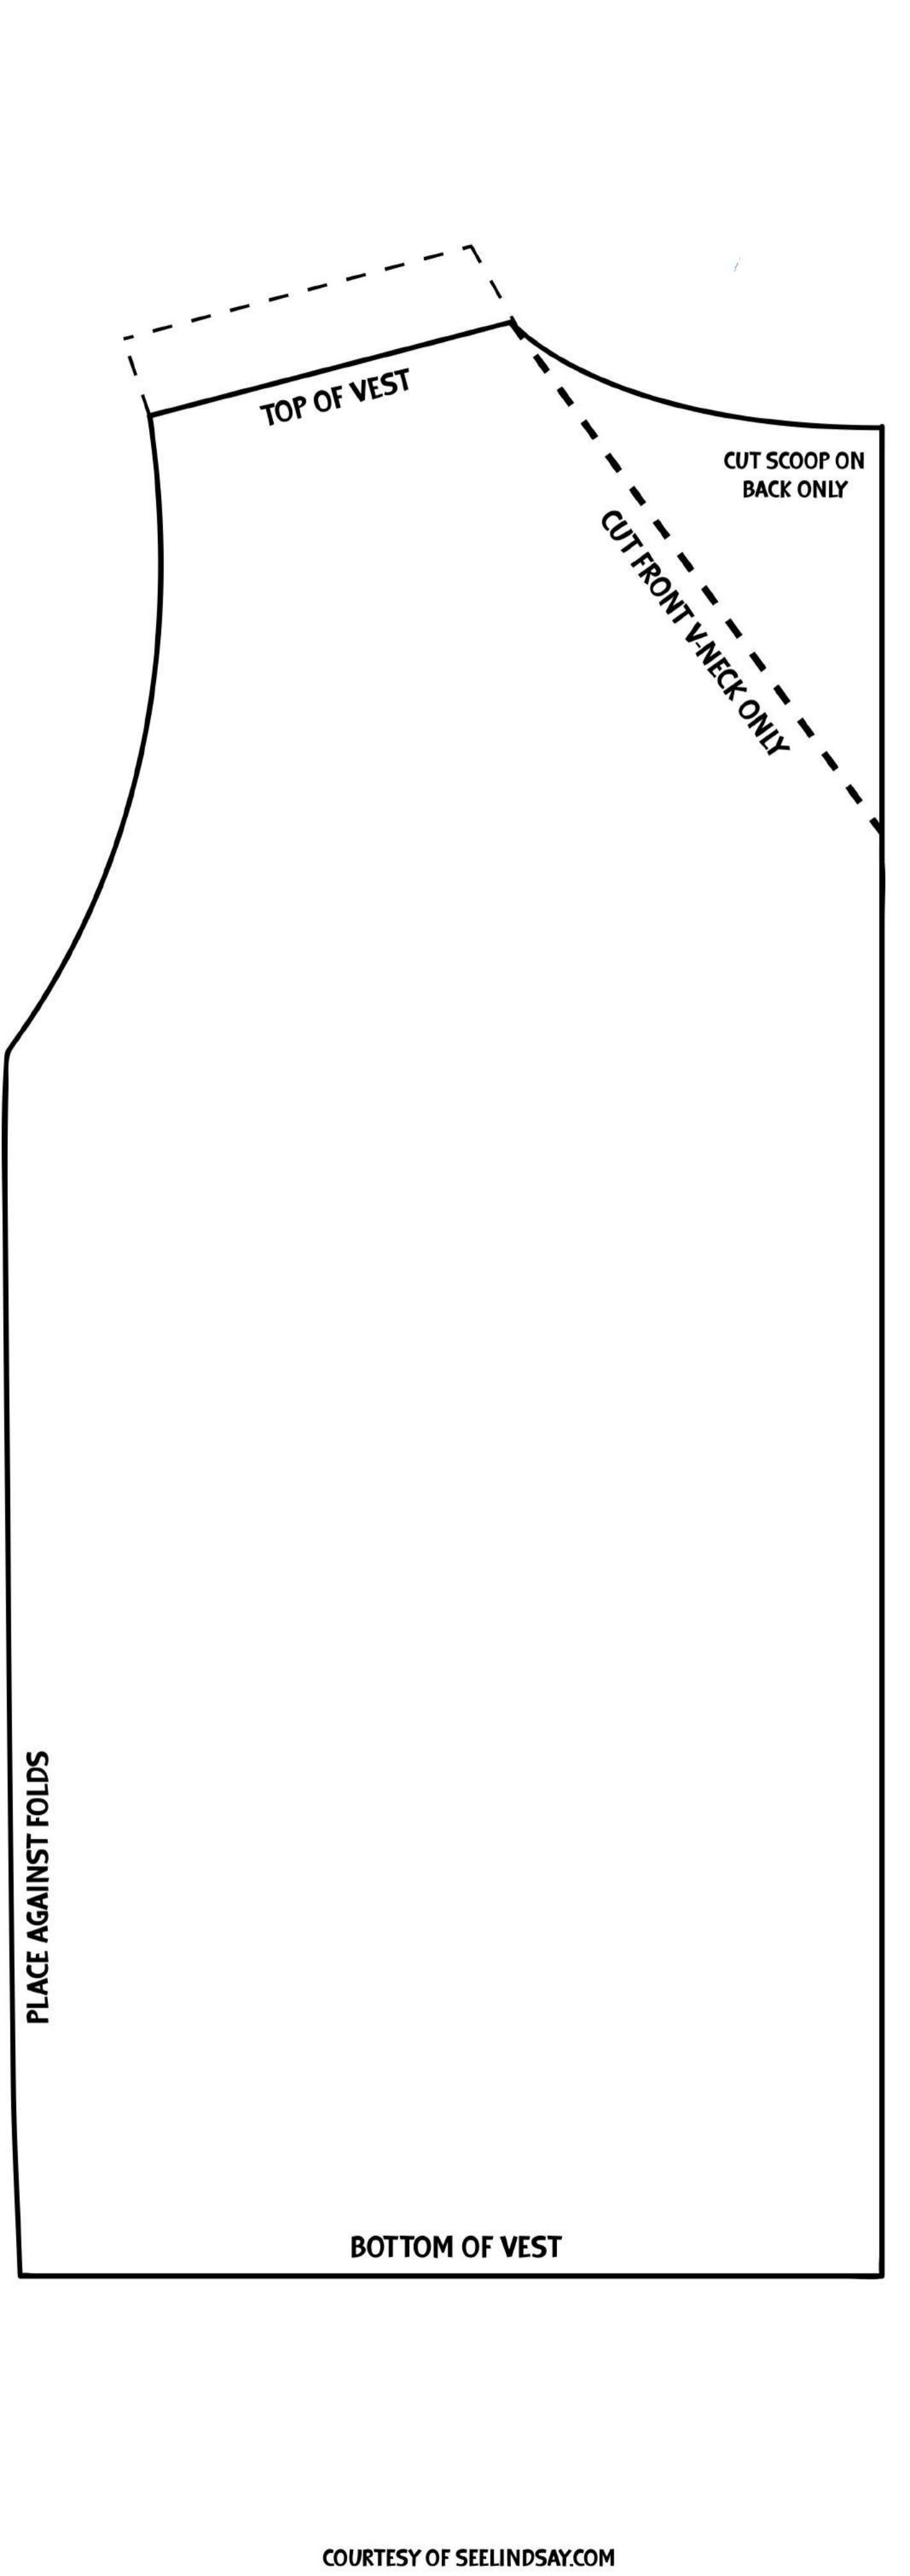

- 1. Prepare Your Materials**
Match the lines of the pattern and tape it together. Cut your felt to 32" wide.
- 2. Folding Your Vest**
Lay your felt flat, fold the outer edges toward the middle and then take the right side and fold the vest under the left half with the cut sides facing to the right.
- 3. Cut the Vest**
Cut the vest at the armholes, the shoulder angle, and the scoop at the back of the neck. On the front neck area, just cut the area at the dotted line to create the v-neck.
- 4. Hot Glue the Vest**
Glue your shoulder pieces together and glue your patch to your lapel.
